What should this form be used for?

Your Parish / Town Council has received a payment from the Community Infrastructure Levy (CIL). The Community Infrastructure Levy Regulations 2010 (as amended) require us to monitor if that money has been spent and if so, what has been provided. Therefore, please complete the tables below.

Please note that payments made by 30th April correspond to amounts received by SDNPA within the preceding 6 months, and are therefore to be accounted for within the previous financial year.

E.g. A payment received in April 2024 will be reported in the 2023-2024 financial year.

The money you have been paid must be used within 5 years of receipt or may have to be returned.
